Pillow Menu

Dear guests, we are pleased to offer you a variety of pillows to ensure that you get a good night's sleep. Please select the desired pillow from our pillow menu and order from the reception desk

'Dream' Pillow King Lodge -

You will wake rested, happy and ready for the day ahead thanks to the superior softness and sumptuous support of this luxury pillow. Emulating the feeling of duck down while avoiding those nasty allergy issues, the high-loft, long-life microfibre fill of this pillow is what dreams are made of.

Foam Core Firm Pillow

The Dreamticket Foam Core Pillow has a 100% cotton fabric outer with a 3D fiber foam core, making it ideally firm and highly durable. Thanks to the fiber foam core this pillow is also extremely breathable and naturally ventilating, ensuring a relaxing, restful and ultimately nourishing sleep.

Dreamticket Lavender Pillow

When comfort can come from all senses the introduction of a subtle, sumptuous scent can make a big difference in the standard of care and relaxation. The balanced and beautiful fragrance of lavender helps soothe stress, release tension and refresh wellbeing.

1000grm Feather & Down Pillow

And now for the real deal... and all-natural white duck down and small white duck feather combination to create a sleep-inducing show-stopper of a pillow. Plush and luxurious.

Latex Pillow

The fine holes in this soft, springy pillow increase airflow and help regulate sleeping temperature, making for a healthy and happy sleeping experience.

Memory Foam Pillow

Memory foam is well known for delivering a consistently comfortable sleeping experience. Specially designed for spinal support and relaxation, this thermo-sensitive pillow responds to natural body heat, supporting and improving sleeping posture while providing peak comfort throughout the night.
